AMX is an international service firm specialized in architectural solutions supporting the design and the implementation of residential, hotels and hospitality projects.

AMX is committed to achieving the interests of investors, promoters and hotel groups by prioritizing the consultation and the coordination with the client.

With a “Made in Italy” culture and international spirit, AMX brings passion, expertise and the know-how from Italy to the whole world.

Our team of professionals carry a wealth of experience and skills that complement each other, taking on every project with an open mindset and with a service philosophy based on collaboration and total dedication to the project and for the client’s satisfaction.

## PROJET, COORDINATION & ASSISTANCE
